Mr. Holcombe's Schedule

M, Th: Brazosport H.S. (979)730-7260, ext. 12779
T, W: CBISD (979)345-5147 ext. 2025
Fri.: Brazosport College (979)230-3690
Email Address: Robert.Holcombe@brazosport.edu

Mrs. Phillips Schedule

M, T, Th, F: Brazoswood H.S. (979)730-7300, ext. 29115
Wed.: Brazosport College (979)230-3691
Email address: sphillips@brazosportisd.net or Susan.Phillips@brazosport.edu

How to Enroll

STEPS TO DUAL CREDIT ENROLLMENT AT BC

STEP 1:	Get a dual credit form from your dual credit counselor, take it home, get it signed by your parent/guardian, and return it. To be eligible for scholarships, fill out a financial aid application (FAFSA) at least one month prior to registration.
STEP 2:	<i>For New Students:</i> Complete the BC application for admission by going to the BC home page at www.brazosport.edu , clicking on Apply to BC, and going to item # 1, the ApplyTexas.org link. Complete and submit the ApplyTexas application, then watch your mailbox for a letter with your BC PIN # and your BC Student ID #. If you do not receive one by the time registration begins see your dual credit counselor or a BC Admission Specialist.
STEP 3:	<i>For New Students:</i> View the New Student Orientation and complete the survey online, by going to the BC home page at www.brazosport.edu , clicking on Apply to BC, then going to item # 4, New Student Orientation.
STEP 4:	If required for your class, take the COMPASS test if you're not waived or exempt. One of the following sets of scores are required for waiver/exemption: TAKS: 2200 ELA with composition score of 3 and/or TAKS 2200 math PSAT: 50 Critical Reading and/or 50 Math with 107 total of the two SAT: 500 Critical Reading and/or 500 Math, with 1070 total ACT: Math and/or English 19 with composite score of 23
STEP 5:	Register online through myBC – www.brazosport.edu - or register in person at the college beginning: <ul style="list-style-type: none"> • Nov. 7 for the Spring Semester • Dec. 5 for the Winter MiniMester • April 31 for the SSI Semester • June 25 for the SSII Semester

Questions?

>If you go to Brazosport H.S. call Mr. Holcombe at 979-730-7260 ext. 12779, (979)230-3690 or (979) 345-5147 ext 2025, or email Robert.Holcombe@brazosport.edu .

>If you go to Brazoswood H.S. call Mrs. Phillips at 979730-7300 ext. 29115 or (979)230-3691 or email sphillips@brazosportisd.net .

What is Dual and Concurrent Credit?

Dual credit classes are college classes that give both college and high school credit. **Concurrent classes** are college classes that give college credit only, but are taken while still in high school.

The classes that have been approved for dual credit are shown on page 4. They are also listed in the annual **BISD Course Selection Guide**. Many classes are offered for dual credit, beginning in the second semester of the high school sophomore year. Second semester sophomores may take Learning Frameworks. Juniors typically take U.S. History, Psychology, Sociology, Speech, or computer classes. Seniors take these classes, plus English and U.S. Government. These are just some of the academic classes that give dual credit. There are many technical and vocational classes available through dual credit also, including Automotive Technology, Chemical Process Technology, Drafting Technology, Heating, Air Conditioning and Refrigeration Technology, Industrial and Commercial Electricity, Machine Technology, and Welding Technology.

Concurrent credit classes are classes for which the student only receives college credit. Concurrent course grades will not be reflected on the high school transcript and will not be calculated in the GPA. Students may take any college class for concurrent credit only, if they so choose.

Students may have one or two periods off for their college class.

How Does A Student Qualify For Dual/Concurrent Enrollment?

To qualify for dual/concurrent college enrollment students must be second semester sophomores or juniors who have passed the TAKS sophomore level test, and have a good record in the following areas:

- **Attendance:** the student must not have had excessive absences in the semester prior to the enrollment period.
- **Discipline:** the student must not have had severe discipline problems in the semester prior to the enrollment period.
- **Grades:** The student must have passed all classes in the semester prior to the enrollment period. Grades will be checked as soon as they are available and the student will be pulled from future college enrollment for the next semester if there are any failing grades.

When students satisfy the above qualifications they are eligible for college admission. Each student must meet admission requirements in order to register for classes at Brazosport College. There may also be COMPASS testing requirements for individual classes, as indicated on page 8.

What Classes Give Dual Credit?

Name of BISD/State Course	BC Course Code	Name of BC Course	HS Credits	DAP Eligible GPA Wted
Anatomy & Physiology	BIOL 2401 & 2402	Human Anatomy & Physiology I & II	1	Yes
Arch Design	DFTG 1317 & CNBT1300	Architectural Drafting – Residential & Residential and Light Comm. Blueprint Reading	1	No
Art I	ARTS 1301	Art Appreciation	1/2	Yes
Automotive Technician Advanced	AUMT 1419 & 1410	Automotive Engine Repair & Automotive Braking Systems	2	No
Automotive Technology	AUMT 1305 & 1407	Introduction to Automotive Technology & Automotive Electrical Systems	1	No
Biology AP	BIOL 1406 & 1407	Gen. Biology I & II	1	Yes
Business Information Management I	BCIS 1405	Business Computer Applications	1	No
Calculus/Independent Study in Mathematics	MATH 2413	Calculus I	1	Yes
Chemistry AP	CHEM 1411 & 1412 *	Gen. Chemistry I & II	1	Yes
College Algebra/Independent Study in Mathematics	MATH 1314	College Algebra	1/2	Yes
College Transition	PSYC 1300	Learning Frameworks	1/2	Yes
Computer Programming	ITSE 1432 & 2449	Introduction to Visual Basic Programming & Adv. Visual Basic Programming	1	No

	9		9	18
TOTAL NUMBER OF COLLEGE HOURS				62

Testing Requirements

In order to take **academic classes** at any public college or university in Texas, you must have either taken or be exempt from the THEA test or a state approved alternate test. BC uses the state approved alternate test, COMPASS. **You are exempt if you have the following scores on the TAKS, ACT or SAT:**

Exit Level TAKS	SAT	PSAT*	ACT
2200 in Math and /or 2200 in ELA with a Writing Composition sub-score of 3	Combined critical reading & math score: 1070	Combined critical reading & math score: 107	Composite score: 23
	Math and/or Critical Reading: 500	Math and/or Critical Reading: 50	Math and/or English: 19

*PSAT scores waive testing for one year only, as do sophomore level TAKS scores of 2200 ELA and 3 writing sub-score.

The COMPASS test (state approved alternate test) is available at BC. You may register for it in person at the counseling and testing desk at BC. Scores from the COMPASS are available immediately.

If you are taking a technical class, such as welding, computer, electricity, etc., testing may not be required. Consult your dual credit counselor regarding any testing requirements for these classes.

All necessary testing must be completed by July 1 for fall registration.

New Student Orientation

Brazosport College requires that all first-time students attend **New Student Orientation**. This orientation consists of a video presentation about the services that the college offers to help students succeed. Orientation is available on-line at www.brazosport.edu. After viewing the video on-line the student should then complete the on-line survey in order for the orientation to register on his or her record. If a student does not have computer access computers are available at the college to complete orientation. BC also has an in person New Student Orientation which the student signs up for when he or she registers for the first time.

How Will Brazosport College Classes Transfer?

The state of Texas has set up a system of “Core Curriculum” in which each public college or university must accept as Core Curriculum any transfer class that is part of the Core Curriculum of the previous institution. This means that the classes listed below are guaranteed to transfer to any Texas public college or university.

Brazosport College Core Curriculum

Component Area	Required Semester Credit Hours	Core Courses
Communication ENGL (Core A)	6	ENGL 1301 ENGL 1302
Communication SPCH (Core A)	3	SPCH 1315 SPCH 1318
Mathematics (Core B)	3	One course from: MATH 1314, 1316, 1324, 1325, 1342, 1350, 1351, 2412, 2413, 2414
Natural Sciences (with laboratories) (Core C)	8	Two courses from: CHEM 1411, 1412 PHYS 1401, 1402, 2425, 2426, BIOL 1406, 1407, 2420, ENVR 1401 and ENVR 1402
Visual and Performing Arts (Core D)	3	One course from: ARTS 1301, DRAM 1310, MUSI 1306
Humanities (Core D)	3	One course from: HUMA 1301, PHIL 1301, ENGL 2322, 2323, 2327, 2328, 2331, 2341 and 2343
U.S. History (Core E)	6	HIST 1301, 1302, HIST 2301 or Or HIST 2327 and 2328
Political Science (Core E)	6	GOVT 2301 and GOVT 2302
Social/Behavioral Science (Core E)	3	One course from: PSYC 2301, 2314, 2316 SOVI 1301, 1306, 2301 GEOG 1302 and GEOG 1303
Computer Literacy (Core F)	4	BCIS 1405
Total Minimum Requirements	45	

“If a student successfully completes the 44 semester credit hour core curriculum at Brazosport College, that block of courses is transferable to any other public institution of higher education and must be substituted for the receiving institution’s core curriculum. A student shall receive academic credit for each of the courses transferred and may not be required to take additional core curriculum courses at the receiving institution unless the Texas Higher Education Coordinating Board has approved a larger core curriculum at that institution.

A student who transfers to another institution of higher education without completing the Brazosport College core curriculum shall receive academic credit within the core curriculum of the receiving institution for each of the courses that the student has successfully completed in the Brazosport College core curriculum.” – Statewide Transferability of Brazosport College Core Curriculum

Costs, Scholarships and Financial Aid

The cost for one three hour class at BC is \$207 for in-district residents. Most BISD students are in-district. A four hour class is \$271. The complete Tuition Table is printed in the schedule booklet, available in Mrs. Phillips office, the Guidance Office, or at BC.

BISD intends to pay for vocational lab courses for which lab facilities are not available on the high school campuses. These courses include all dual credit courses in Automotive Technology, Electrical Trades, Heating, Air-Conditioning and Refrigeration, Machine Trades, and Chemical Process Technology. This funding is subject to fund availability and final budget approval.

Scholarships and TPEG grants for up to \$350 per semester are available on a first come, first served basis. To receive financial aid the student and parent must fill out a FAFSA (Free Application for Federal Student Aid), available in the guidance office, BC financial aid office or on-line at www.fafsa.ed.gov.

STEPS TO GETTING FINANCIAL AID

Step 1	Step 2	Step 3	Step 4
See your high school counselor, and then see Mrs. Phillips to sign up for at least 3 college credit hours (one college course).	Go to the FAFSA website at www.fafsa.gov and fill out the FAFSA (Free Application for Federal Student Aid). It will be based upon your parents income from the previous year.	You will receive a letter from the BC Financial Aid Office, telling you what other forms you should fill out. Go to the Brazosport College webpage at www.brazosport.edu , click on Current Students, then Financial Aid, then Forms to access and print off the required forms.	Turn in your completed forms to the Financial Aid Office.

How Will My College Class Affect My H.S. Schedule & GPA?

When a student takes a college class, one or two periods may be reserved for college on the high school schedule. If the college class is after school, then it is not necessary to have any period reserved on the high school schedule.

All dual credit course grades will be recorded numerically and used in averaging the high school GPA. Any academic dual credit class will receive a weight of 1.10. All other college classes will not be weighted when calculating the GPA. To receive high school credit for a BC dual credit course, a student must earn at least a numerical value of 70 or higher in the college course. Concurrent class grades do not affect the high school GPA at all.

How To Sign Up For a Dual/Concurrent Class

1. When your high school counselor talks to you about course selection for next year, tell the counselor that you are interested in taking a college class. When you turn in your high school course selection form indicate which class you want to take at the college.
2. Go online and complete the **Application for Admission** (www.applytexas.org), and the **BC New Student Orientation and Survey** (www.brazosport.edu), if this is your first semester at BC.
3. Take the **COMPASS test** as soon as possible, registration for the COMPASS test at BC. See page 8 for test exemption information.
4. Your dual credit counselor will call you in to advise you on your course and time selection. If you plan on taking BC summer classes you must see your dual credit counselor on your own initiative as there is no way for them to know if you want to take a college class in the summer.
5. He or she will give you an Early Admission Form which you must return (to be able to register online) or keep and turn in at BC. You aren't registered for your college class until you register online at "MyBC" at www.brazosport.edu, or go to the college, turn in your form, and have an admission specialist enter you in the class.
6. **Pay for your class.** Payment does not have to be made at the time of registration, but must be made by a certain date before classes begin. You may pay in person or online. If you don't pay by the deadline, you will be dropped from your college class(es).
7. **Begin class Aug. 29 for fall, Dec. 19 for Winter Minimester, Jan. 17 for Spring, May 10 for SSI, and June 4 for SSII.**

How Do I Find Out My Final Grade In My College Class?

At the end of each semester, grades are available on the myBC computerized registration system at the college web site (www.brazosport.edu). For this system, the student's social security number/BC ID and BC PIN number are required. Students are given their PIN number when they first register at BC. Students may also see Mrs. Phillips or request a transcript from the Counseling and Testing desk at BC.

Dual Credit/Concurrent Enrollment Rules and Procedures

1. Students must have at least 5 classes on the high school campus daily.
2. Once entered into his or her college class, the student may not withdraw from the class or change the class without permission from the high school counselor and Mrs. Phillips. **Withdrawals are generally NOT ALLOWED by BISD.** If, for some extraordinary reason, a student is allowed to withdraw, the student will be placed in an on-campus high school class. Students must get permission from their high school counselor, as well as Mrs. Phillips, in order to withdraw from any class.
3. **Once classes have begun, the college does not allow students to change times or teachers.** The student must make arrangements for transportation and possible conflicts with work and extra-curricular activities.
4. **Persistent non-attendance of college classes is considered truancy by the high school and will be treated as such.** The college attendance policy allows the teacher to withdraw a student after 3 daytime classes or 1 evening class is missed. The college sends a progress report to the high school periodically to report all students who are failing or who have withdrawn. It is very important NOT to miss class. If a student must miss because of some uncontrollable circumstance, the student must contact the teacher as soon as possible.
5. **Students taking a vocational/technical class for which BISD pays tuition and books may be required to repay the district for those costs if the student fails or withdraws from the course.**

STANDARDS OF STUDENT CONDUCT

Brazosport College assumes that students eligible to perform on the college level are familiar with the ordinary rules governing proper conduct and that they will observe these rules as a matter of training and habit. The institution accepts the concept that where its interests as an academic community are involved, the special authority of the institution should be asserted.

Breaches of Conduct

The college regards the following as illustrations of misconduct that will result in action by the appropriate college authority. Notation of disciplinary action imposed upon students shall be made a part of the student's permanent file in the Office of the Dean of Student Services. Misconduct shall include, but not be limited to, the following:

Scholastic dishonesty – including, but not limited to, cheating on a test, plagiarism, and collusion. Cheating on a test includes: copying from another student's test paper; using test materials not authorized by the person administering the test; knowingly using, buying, selling, stealing, or soliciting, in whole or in part, the contents of an unadministered test or a test that may be used again; and the unauthorized transporting or removal, in whole or in part, of the contents of an unadministered test or a test that may be used again. Plagiarism shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means, another's work and the unacknowledged submission or incorporation of it in one's own written work. Collusion shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. Students determined to be guilty of cheating, plagiarism, or collusion shall be subject to dismissal from the class with a failing grade. A second offense may be cause for suspension from college.

Interference with teaching, research, administration, or the college's subsidiary responsibilities through "disorderly conduct" or "disruptive behavior."

Unauthorized use of college property.

Refusal to provide identification when requested to do so by a college official.

Violations of the Penal Statutes of Texas or of the United States.

Endangering the health or safety of others including, but not limited to, assault, physical abuse, verbal abuse, threats, intimidation, harassment, or coercion.

The Dean of Student Services shall consider and take appropriate disciplinary action when violation of law, college rules and regulations, and other breaches of conduct by students are reported.

The Handbook Agreement/Receipt Form

I, _____, have received the BISD/BC Dual Credit/Concurrent Enrollment Handbook. I have read and understood the contents of it, including testing requirements, deadlines, and penalties for withdrawing or failing. I understand that not following the guidelines for registration could delay or prevent my college registration.
