

## 1. Register for MasteringAandP

*These instructions are accurate at time of printing. Your experience may vary slightly.*

Go to **www.masteringAandP.com** and click **New Students** under Register.

- To register using the Student Access Code located inside the MasteringBiology Student Access Kit, click **Yes, I have an access code**. –OR–
- **Purchase access online:** Click **No, I need to purchase access online now (\$35)** and follow the on-screen instructions to purchase access using a credit card or other method. (The purchase path includes registration, but the process differs from the steps here.) (NOTE: I Handed these out in class, you don't need to buy it)

### License Agreement and Privacy Policy

- Click **I Accept** to indicate that you have read and agree to both the license agreement and privacy policy.

### Do you have a Pearson Education account?

- **Yes** - Enter your established Login Name and Password, even if your access to another Pearson Education website has expired. If you provide this, you may be asked to create a more secure password later.
- **No** - You will be asked to specify a Login Name and Password, and then to confirm your password by retyping it.

The screenshot shows a registration form with three sections:

- \*Create a Login Name**: A single text input field.
- \*Create a Password**: A single text input field.
- \*Re-type Your Password**: A single text input field.

- **Not Sure** - Enter the email address associated with your Pearson Education student account and click **Search**.

### Access Code

- Type your six-part student access code, one part in each box. Don't type the dashes. *Once you register for this site, you will not need this access code any longer.*

The screenshot shows a form titled **\* Access Code** with six input boxes separated by dashes. The first three boxes contain the text "cited", "atopy", and "new". The last three boxes are empty.

### Personal Information and Security Information

- Enter your first and last name, as well as a valid email address that you check regularly. *Your registration confirmation will be sent to the email address you provide.*
- Enter the requested information to help identify your school location.
- Select a security question and enter the answer. *This question is used in the event that you contact us and your identity must be confirmed.*

Click **Next** (only once!) to submit your registration for processing, which takes just a few moments.

### Confirmation & Summary

A confirmation page informs you of the site(s) you have access to and that you will be receiving a confirmation email. *The confirmation email contains your login name and password for your reference. Your subscription to MasteringBiology is good for 24 months from the time you first register.*

## 2. Log in to MasteringAandP

Log in to MasteringBiology as follows:

- *If you are continuing from the Confirmation & Summary page (from last step in previous section):* Click **Log In Now**.
- *If you have left the Confirmation & Summary page, you can log in later:* Go to **www.masteringbio.com**, enter your login name and password, and then click **Log In**.

## 3. Enroll in your instructor's MasteringAandP course

**Course ID is: BEATTYAP2**

**ACCESS CODE: (This is what you will find with a new book, or purchase separately or online)**

If your instructor informs you that you will be using MasteringBiology for assignments, you need to log in to MasteringBiology and enter your instructor specified Course ID and Student ID. Doing so enrolls you in your instructor's MasteringBiology course so that you can view class assignments. *(If you don't have the Course ID information yet: You can enroll later by logging in and clicking **Join Course**.)*

### Join Course

- Enter the **Student ID** according to instructions from your instructor. You can safely ignore this field now if you haven't been given information about a Student ID.
- Enter your instructor-provided **Course ID**. *The Course ID field is not case-sensitive, so you can enter either lowercase or uppercase characters. Make sure you type in the exact Course ID the professor gave you so that you enroll in the correct online course. If you get an error message, please confirm with your instructor that he or she has enabled student enrollment for this course.*
- Click **Save and OK** to view your MasteringBiology course home page, welcoming you to the online course. The next time you log in, you will go directly to your home page for the course.

- **To view your instructor's assignments:** Click **Assignment List** on the left.
- **To view self-study resources:** Click **Study Area** on the left.

# Course id **BEATTYAP2**
