

Thank you all for your very hard work in this class. You are an outstanding group, as reflected in a higher number of "A"s and "B"s than I can recall having in the past. Here are the grades for those who took the final. Others had already been posted in the previous post. Where applicable, Micro in the News points were added in before averaging the final grade.

Wish you all a Merry Christmas, and hope to see many of you in the spring.
