

Y'all did an excellent job on these. I was amazed at the quality of some of the reports. This is reflected in the >100 scores for some who got the right answers AND had superb reports. Very good! I will have more posted later.

Daryl Beatty

Fall 2011	Micro Unknowns Correct answers		# Right	Grade
Number	Gram -	Gram +		
20	E. coli	S. epi	2	100
21	Proteus m.	Bacillus cereus	1	85
22	Moraxella c. / E. coli	2 Negs. - our mistake!	1.5	100
23	Proteus m.	Micrococcus luteus	2	100
25	Proteus m.	S. epi	0	80
