

Lecture Exam Dates, AP1 Online, Spring 2012 J. James

Online students must take each exam on campus in the LS (Learning Services) area adjacent to the library during a specified “window” of opportunity – usually 1 week (5 class days). A current college issued I.D. is required each time. I.D.s can be made in the library in about 15 minutes. Each student must call LS (230-3253) and obtain a specific testing date and time. Spaces are limited – call early!! “They were full” is not an acceptable reason for missing an exam.

5 Hrs. Lecture

Chapter 1 – The Human Body: An Orientation

Chapter 2 – Chemistry Comes Alive

Chapter 3 – Cells: The Living Units
