Transfer Fair at BC!

Come out to Brazosport College Transfer Fair on November 30th. Representatives from colleges around the state will be coming to the Student Pavilion to assist you with additional information and talk about the future of your education. It's nice cause you won't have to travel far in order to get the answers to your transferring questions. This is another way BC is here to help you reach your educational goals. The college representatives will be here from 9 a.m. to 12 p.m. and 5:30 p.m. to 7:30 p.m. Hope to see you there.

Staff Highlight

Brazosport College is pleased to welcome Carrie Streeter as our new Director of Admissions and Registrar. Carrie is originally from Wichita, Kansas and attended Kansas State University where she received her bachelor's and master's degrees. In 1997, Carrie and her husband moved to the Houston area and fell in love with Brazoria County. When asked what drew her to the area, Carrie says that Brazoria County reminds her of Kansas. "The landscapes along with the calm peaceful environment are a lot like home." A goal that Carrie wants to accomplish is to improve the registration process by making it more convenient for the students. By introducing new technology, the students will not have to wait in long lines to register because they will be able to access it on their notebooks or tablets. "We now have the technology to meet the need" Carrie says. Carrie believes life is too short and precious to waste any of it. In her free time, Carrie and her husband work with a refuge network in order to help dogs with certain disabilities find homes. Carrie finds it extremely rewarding to be able to train these dogs and see them adopted. As of today, Carrie and her husband own two dogs that they love and adore.
