University of Houston-Clear Lake transfer student GPA report

This report summarizes cumulative GPA information for UHCL transfer students including a summary of those whose last institution attended was an area Gulf Coast Consortium Community College. If variance exists when comparing these figures to other previously published reports, it is important to note that these data were extracted after final grades were submitted and data at the end of term generally decreases compared to the 12th day census data.

¹Prior to 2004 and again in Fall 2008 many San Jacinto students were listed as transfers from the Central campus instead of the North and South campuses. In 2008, San Jacinto implemented E (electronic) Transcribing and the three campuses cannot be easily distinguished. For this reason, OIE is now reporting San Jacinto College campuses combined
