

Hello,

Thank you for your interest in using RefWorks. RefWorks is a reference management service that supports the research needs of Brazosport College students and staff. With an improved user experience, full-text management and collaboration features, RefWorks provides a tool that enables a more efficient and reliable process for producing research papers.

**Access:**

Brazosport College students or staff can create a [RefWorks account with their institutional email address](#) (Brazosport College email address i.e. username@brazosport.edu) by going to: <http://refworks.proquest.com> and clicking “Create Account”. RefWorks will send a confirmation email so click the enclosed weblink to authorize registration. The confirmation email will most likely be sent to the [Barcudda Spam Firewall](#). It is safe to open this email.

Here are some ways RefWorks helps support our users:

- [Getting Started with RefWorks](#) - A RefWorks account is available to anyone at Brazosport College and includes unlimited document storage, easy institution-wide sharing, product support and more. RefWorks guides users through a simple onboarding process when first signing up.
- [Getting Information into RefWorks](#)- RefWorks users can download the “Save to RefWorks” button (web capture) that easily installs into any browser. One can also [export](#) research from most library databases into RefWorks (if prompted for RefWorks version, click the ProQuest RefWorks located on the right) or use RefWorks to [manually create citations](#).
- [Creating Bibliographies and Writing your Paper](#)- Use RefWorks to easily create a bibliography. RefWorks also offers add ons that intergrate this feature using [Word](#) as well as [Google Docs](#).
- [Reading Documents in RefWorks](#)- RefWorks has a built-in reader so one can read and access supported documents anywhere with just a web browser.
- [Sharing and Collaborating](#)- Share and collaborate RefWorks projects with other Brazosport College students, staff and faculty.
- The [Support Center link](#) is accessible from every screen in RefWorks. Here find the most up-to-date information and resources for RefWorks including; how to upgrade to new RefWorks, user guides, training, and more. Access the [RefWorks LibGuide](#) for additional support.
- Training and YouTube videos to help you quickly get acquainted with:
