OFFICIAL GUIDE
FOR BRAZORIA COUNTY

2017
ARE YOU PREPARED?

- STEAR Registry
- EMERGENCY INFORMATION
- EVACUATION PLANS
- COMMUNITY PLANNING

See back cover for info

THIS BOOKLET CONTAINS VITAL INFORMATION TO ASSIST YOU THROUGH HURRICANE SEASON. KEEP THIS GUIDE READILY AVAILABLE THROUGHOUT THE SEASON AND BY YOUR SIDE DURING AN EVACUATION.

CONTAINS UPDATED INFORMATION FOR 2017
Dear Citizens of Brazoria County,

This brochure is being provided to ensure your education in being prepared for the upcoming 2017 Hurricane Season. Take a few minutes of your busy schedule to read this brochure, and then apply the information. It could save you, a member of your family or your neighbors’ life!

Preparedness is the key to protecting your family and property. Please make your plans now. Doing so, you will ensure that you and your family will survive any hurricane that may threaten our area. Know your vulnerability and what actions you should take to prepare for most emergencies.

Sincerely,
Brazoria County Emergency Managers

HOW CAN I HELP?

BRAZORIA COUNTY CITIZEN CORPS

In large emergencies, first responders in our community can be overwhelmed quickly. Citizens on scene may need to take action to help save lives.

Citizen Corps provides training that will allow you to protect yourself, your family, and your neighbors.

The Brazoria County Citizen Corps has several key missions:
- Initial Neighborhood Response
- Staffing Evacuation Hubs for an evacuation
- Performing Preliminary Damage Assessments
- Assist with staffing of shelters during disasters
- Staffing the Emergency Management Call Center
- Assisting with distribution of food, water, and ice during emergencies

ALL TRAINING IS FREE
Positions for everyone! Great for groups and organizations! Sign up today!
See our calendar at www.homelandpreparedness.org or contact Homeland Preparedness Project at: info@homelandpreparedness.org or call 979-864-1646.

PEARLAND AREA CITIZEN CORPS (PACC)

Local emergency management agencies along with fire, police and EMS may not be able to meet all the demands for a community-wide event. Factors such as the number of evacuees, victims, communication failures, and road blockages will challenge our community. People will have to rely on each other for help and volunteers will be needed for pre and post incident functions all year round.

PACC has openings in many programs for citizens that live in northern Brazoria and surrounding counties.

For more information, please contact Buck Stevens at: buckstevens@gmail.com or 281-997-9777 or visit our website at: www.pearlandcc.org.
This booklet contains vital information to assist you through hurricane season. It is strongly recommended that you keep this guide readily available throughout the season and by your side during an evacuation.
IF YOU HAVE SPECIAL HEALTH CARE NEEDS OR NEED A RIDE TO SAFETY, REGISTER WITH STEAR TODAY!

If you have special health care or transportation needs, you need to make extra efforts to get ready for hurricane season. Remember, hurricane season starts June 1 and continues through November 30. Register before a storm is in the Gulf! This service is for people who cannot drive themselves and cannot make transportation arrangements. REGISTER TODAY BY DIALING 2-1-1 or online at: bit.ly/TXSTEAR

ON-LINE REGISTRATION IS NOW AVAILABLE!

STATE OF TEXAS EMERGENCY ASSISTANCE REGISTRY.

IF YOU NEED TRANSPORTATION, REGISTER WITH STEAR: Register IN ADVANCE for a ride by dialing 2-1-1. If those attempts fail, contact your local emergency coordinators office (numbers found on pages 11 - 13).

ON-LINE REGISTRATION NOW AVAILABLE!

STATE OF TEXAS EMERGENCY ASSISTANCE REGISTRY

Online at: bit.ly/TXSTEAR

DIAL 2-1-1
DON’T WAIT, REGISTER NOW!

2017 Hurricane Season is June 1 - November 30. PLAN TODAY!
IF YOU NEED A RIDE OUT OF TOWN

Evacuation HUBS in Brazoria County

WHAT IS A HUB?
A HUB is a meeting location for residents who:
• Need public transportation during an evacuation
• Registered with STEAR for public transportation
At this location, residents will be checked in and bused to public shelters in Belton, Texas. FIREARMS ARE NOT PERMITTED.

Brazoria County has been divided into two HUBS. If you need public transportation during an evacuation, you will need to get to one of these HUBS.

WHAT SHOULD I BRING WITH ME?
• You MUST bring your driver’s license or state-issued picture ID.
• Medications for at least 10 days
• Toiletries, snacks, and 5 days worth of clothing
• No more than two pieces of luggage and one carry-on bag per person.
• Household pets (dog/cat) in a sturdy plastic or metal cage/transport device (no reptiles or aggressive animals will be allowed).
• Proof of Residency such as a current utility bill

WHAT IS NOT ALLOWED IN A PUBLIC SHELTER?
Alcoholic beverages, weapons, and illegal drugs are not allowed in public shelters.

PUBLIC TRANSPORTATION AND ANIMAL EVACUATIONS
If you are utilizing county transportation at a HUB location, there are several rules that must be followed. These rules are imposed to ensure the safety of everyone and will be enforced without exception. HUB Coordinators have final say over all pet transports.
• Only non-aggressive household pets will be permitted. No reptiles or farm animals.
• Up to two pets per household will be allowed on the bus. If you feel you MUST take more than two pets, please contact your city’s local emergency manager BEFORE an evacuation is called.
• All animals MUST be transported and housed in a sturdy plastic or metal cage/transport device. No cardboard or partly enclosed devices will be allowed.
• Animals must remain secured in the travel device at ALL TIMES while on the bus.
• All animals must have current rabies shot records.
• Owners are responsible for supplying food and water for their animals.
• Please understand we are not liable for any losses or injuries your animal may sustain while being evacuated.

WILL MY PET RIDE WITH ME?
As a general rule, pets will be transported with the owner. However, if a situation dictates, they may be transported in a separate vehicle.

Evacuation HUBS

1 PEARLAND
Recreation Center
4141 Bailey Road
Pearland, TX

2 ANGLETON
Fairgrounds
901 S Downing Rd
Angleton TX

If you need assistance getting to one of these HUBS, locate your local emergency coordinators to find staging locations.

EVACUATION DESTINATION:

EXPO Center
301 West Loop 121
Belton, Texas 76513
IF YOU HAVE YOUR OWN TRANSPORTATION

Evacuation Plans
If you think you need to evacuate, leave as early as possible.

IT IS NOT SAFE TO WAIT!

HOW DO I KNOW WHEN TO EVACUATE?
Mandatory evacuation orders will come from your local officials. Evacuations will be based on zip codes. Please be prepared to leave immediately.

See pages 11 - 13 for specific information pertaining to your city’s communication of recommended evacuations.

SHOULD I EVACUATE?
Local officials will make mandatory evacuation decisions before a storm makes landfall. Hurricanes are extremely unpredictable and can become much more dangerous in a matter of hours. It is NOT safe to wait. Plan to leave early.

WHERE SHOULD I GO?
You may evacuate to any city you choose. Brazoria County residents have been assigned Belton, Texas for public shelters. If you do not have hotel reservations or family you can stay with, you may evacuate to the public shelters. See map on page 3.

WHAT ROUTE SHOULD I TAKE?
There are no mandatory routes you must take when evacuating from your city. In fact, there are several different routes you may take. When weather is good, take your family on an outing to check routes and become familiar with roadways.

The State has designated evacuation routes: SH-36, SH-288, SH-6, I-45, SH-290, HWY-59. If you choose to take an alternate route, essential services such as food, fuel, etc. are not guaranteed.

Please understand that depending on the strength of the storm, contra-flow lanes might be open on SH-45, I-10, and SH-290 thirty-six (36) hours prior to the arrival of gale force winds. Plan your evacuation routes carefully (having more than one route planned), realizing that contra-flow lanes have priority over all other routes.

WHEN EVACUATING YOU SHOULD:
- Coordinate your departure with the people who will be traveling with you. Notify an out-of-area person of your evacuation plans.
- Make arrangements for your pets.
- Pack your disaster supply kit into your vehicle.
- Secure your home.
- Double check your evacuation route and leave.

I DON’T WANT TO EVACUATE!
Should you choose to stay, please remember there are NO SHELTERS in Brazoria County. There will be NO SERVICES available to you (sewer, water, etc). Hospitals will close, ambulances will not run, and police and fire cannot respond until the storm passes.

WHEN SHOULD I RETURN?
Be sure your home/community is safe for you to return.

Local emergency managers will utilize:
1. local media & social media
2. public call and notification systems
3. websites to notify residents when it's safe to return.

If you do not have access to any of the above resources, contact your city’s emergency management coordinator’s office or the county’s emergency manager’s office before returning. This information can be found on pages 11 - 13. As a last resort you may call Bell County at 254-933-5587.
Mandatory evacuations will be based on zip codes. Be prepared to leave immediately after your zip code is called.

**FUEL**
- Keep your fuel tank at least half full during hurricane season.
- Motorists should fill their tanks before evacuating.
- TxDOT has worked with the private sector to assure maximum-possible fuel during an evacuation.
- TxDOT courtesy vehicles will be patrolling major evacuation routes for those stranded.

**KEY TELEPHONE NUMBERS**
- The number to call for road conditions on state highways is 1-800-452-9292 or drivetexas.org.
- If you have an emergency, call 9-1-1.
IF YOU HAVE YOUR OWN TRANSPORTATION

If you have your own ride out of town but need a place to stay, you may go to the Expo Center in Belton, Texas. See page 3 for a map.

PUBLIC Shelters

IF I PLAN ON GOING TO A PUBLIC SHELTER, WHAT ADDITIONAL ITEMS SHOULD I TAKE?
Public shelters are basic facilities that provide temporary housing for evacuees. Most shelters do not have beds or cots, so you will probably be sleeping on the floor. So pack as if you were going camping. You should bring:
• Sleeping pads or air mattresses
• Blankets or a sleeping bag for each person
• Robe & shower shoes (and toiletries)
• Books, cards, games and QUIET toys for children
• Medications for your family

WHAT IS NOT ALLOWED IN A PUBLIC SHELTER?
Alcoholic beverages, weapons, and illegal drugs are not allowed in public shelters. Firearms are not permitted.

SHOULD I CARRY FOOD AND DRINKS IN MY CAR?
Yes! Stopping for food or drinks during a large scale evacuation may significantly delay you in getting to your destination. Some restaurants and stores along hurricane routes may be closed and those that are open are likely to be very crowded. Additionally, once you leave the evacuation route to purchase food or drinks, it may be difficult to re-enter the flow of traffic.

WHAT CAN I DO TO HELP OTHERS?
Check on friends and neighbors to make sure they have transportation or to see if they need help in getting essential items together so they can be ready to evacuate. Assist them if you can. If you cannot, help them get in touch with the local emergency management office.

Animal Evacuations

The inland shelter locations will be equipped to shelter most animals of all types. You may be restricted to the number and type of animals that will be sheltered. If you have questions, please contact your local emergency manager (pages 11 - 13). As a general rule, pets will be sheltered separately, with the exception of service animals that must stay with their owners. All animals must be housed in a sturdy plastic or metal cage. All food/medication must be provided by owner.

IMPORTANT PET SUPPLIES
• Food, Water
• Non-tippable food and water containers
• Leash, Harness and Carrier
• Records of Vaccinations
• Medications

Evacuating Tips

• Keep your vehicle in good repair with at least a half tank of fuel.
• Check on friends and neighbors who may have special needs.
• Prepare your disaster supplies kit NOW and take it with you when you evacuate (see page 9 for check list).
• Secure your home quickly and evacuate when asked to do so.
**YOUR OWN TRANSPORTATION**

**Evacuating Livestock**

**WHERE TO GO?**
If you have friends or family who have a place to board your livestock, that is your best option. Public shelters are temporary, lasting maybe a few days. When evacuating it’s best to plan for long term, rather than a couple of days. Our assigned public shelter at the Bell County Expo in Belton, Texas can accommodate shelter for 150 cattle, 179 horses, and 300 head of sheep, swine and goats combined (high value livestock—horses, show animals, youth animal projects, etc.). The Expo is located on I-35 at exit #292 in Belton, Texas.

When evacuating, contact Mr. Lyle Zoeller as a courtesy at (254) 933-5305 before leaving home to let Bell County know you’re coming. Other shelters for high value livestock are available throughout the state, but contact information on those sites isn’t released until 120 to 72 hours before a storm makes landfall. As this information is received, it will be posted on the Brazoria County website at www.brazoria-county.com and at the Emergency Management office at (979) 864-1064. Keep in mind that public shelters provide only shelter and water. Feed and hay are the owner’s responsibility. **Public shelters require all equine to have current vaccinations and coggins test paperwork.**

Prepare Your Home

Here are some steps you can take to protect your property before a storm hits:

• Find out the elevation of your property and check floodplain maps.
• Check your insurance coverage. Most homeowner insurance policies do not cover flood damage.
• Learn about the National Flood Insurance Program.
• Find out if your home meets current building code requirements for high winds. Structures that meet current high-wind provisions have a better chance of surviving violent windstorms.
• Install commercial shutters or prepare 5/8 inch plywood panels for your windows.
• Garage doors are frequently the first feature in a home to fail. Reinforce garage doors so that they are able to withstand high winds.
• Assess your property to ensure that landscaping and trees do not become a wind hazard. Trim all dead wood and weak or overhanging branches from all trees. Certain trees and bushes are vulnerable to high winds and any dead tree near a home is a hazard. Check with your city about tree trimmers’ licensing and permit regulations and rules.
• Move outside items to safety, such as patio furniture, plants and grills.
• Put valuable documents in waterproof containers and take them with you when you evacuate.
• Turn off electricity at the main circuit breaker or fuse box to protect appliances from power surges and reduce the risk of live dangling wires after the storm.
• Remove perishable items from your refrigerator and freezer.
• Make a final walk-through inspection before closing the door.

Prepare Your Vehicle

• Fill up with fuel before you leave town. It’s smart to keep your tank at least half full during the entire hurricane season.
• Check your vehicle’s fluid levels and ensure there is adequate coolant in the radiator.
• Don’t forget your tires. Check for proper air pressure because hot road surfaces are rough on tires. Be sure that your spare tire has air and that you have the proper equipment to change your tire. Ensure you have a jack and lug wrench in your vehicle and know where they are in the vehicle. Your owner’s manual should have instructions for changing tires and flats.
• Make sure to carry enough water and non-perishable food for you and your passengers in case you become stranded.
• If you are stranded, stay with your vehicle and use emergency flashers. Tie a white cloth on the antenna or door handle and raise the hood.
• Have a working flashlight and extra batteries in your vehicle.

If you’re traveling with children

Be sure to pack items to help keep them entertained:

• Reading materials, puzzle, games and coloring books.
• Fun road games like Highway BINGO and I Spy. Go online to find lists and ideas.
• Low sugar snacks and sugar free drinks.
• A change of clothes for emergencies.
## FAMILY DISASTER CHECK LIST

### ESSENTIALS
- This booklet
- Battery-operated radio
- Flashlight
- Extra Batteries
- First Aid Kit (one for your home and one for each car)
- **Do not include candles. Candles cause more fires after a disaster than anything else.**

### WATER
- 7 gallons per person, minimum, in a food-grade, plastic container
- Additional water for sanitation

### FOOD
- Minimum 7-day supply of nonperishable food that requires no refrigeration or preparation and little or no water
- Dry cereal
- Peanut butter
- Canned fruits
- Canned vegetables
- Canned juice
- Ready-to-eat canned meats
- Ready-to-eat soups (not concentrated)
- Quick energy snacks
- Graham crackers

### SANITATION
- Disinfectant
- Household chlorine bleach
- Soap, liquid detergent
- Toilet paper, towelettes, paper towels
- Personal hygiene items
- Cloth towels (at least 3)
- Feminine supplies
- Plastic bucket with tight lid
- Plastic garbage bags, ties (for personal sanitation use)

### CLOTHING & BEDDING
- Plastic garbage bags, ties
- Sunglasses
- Rain gear
- Sturdy shoes or work boots
- Blankets or sleeping bags
- Complete change of clothing and footwear per person

### TOOLS AND SUPPLIES
- Whistle
- Aluminum Foil
- Crowbar
- Compass
- Paper, Pencil
- Plastic sheeting
- Medicine dropper
- Needles, thread
- Signal Flare
- Matches in a waterproof container
- Assorted nails, wood screws
- Pliers, screwdriver, hammer
- Plastic storage containers
- Heavy rope
- Cash, traveler’s checks, change
- Map of the area
- Non-electric can opener, utility knife
- Cell phone with charger
- Mess kits or paper cups, plates and plastic utensils
- Tape, duct tape and plumber’s tape or strap iron
- Patch kit and can of seal-in-air for tires
- Shut off wrench to turn off household gas & water

### IMPORTANT DOCUMENTS
- Important telephone numbers
- Record of bank account numbers
- Family records (birth, marriage, death certificates)
- Inventory of household valuables
- Copy of will, insurance policies, current utility bill
- Records of credit card account numbers and companies
- Copy of passport, social security cards, and immunization records

### FAMILY MEDICAL NEEDS
- Insulin
- Prescription drugs in original containers
- Heart and high blood pressure needs
- Denture needs
- Extra eye glasses
- Contact lenses and supplies
- Doctor’s phone numbers

### ENTERTAINMENT
- Games & books

### YOU MAY WANT TO INCLUDE
Family photos, jewelry and select irreplaceable personal items.

### KEEP A SMALL BAG PACKED INCLUDING A MINIMUM OF THESE ITEMS:
- Personal sized bottled water (at least one for each family member; don’t forget your pets)
- Dry snacks
- One complete change of clothing and footwear per person
- Cash, traveler’s checks and/or credit cards, enough for food, gas and lodging.
- Important documents
- Medications with original prescription containers
- Maps (evacuation routes and shelters)
- For baby: formula, diapers, bottles, medication and powdered milk.
- For pets: food, leash, harness, carrier, non-tippable food and water containers
- It’s a good idea to have some travel games or books for the kids

---

**CHECK YOUR VEHICLE’S FLUID LEVELS DURING HURRICANE SEASON AND KEEP YOUR FUEL AS FULL AS POSSIBLE!**
GETTING PREPARED

What to do if you live in a flood-prone area:

- Determine if you live behind a levee, find out who owns the levee near you, and do your part to promote levee safety.
- Visualize the impact if your levee is overtopped or breached and your neighborhood is flooded.
- Develop an emergency action plan to follow in case of flooding.
- Buy flood insurance.
- Take advance precautions to reduce potential flood damage.
- Support funding initiatives for levee improvement projects.

HOW TO PREPARE FOR A FLOOD

BE INFORMED
Stay informed through local media, trusted social media sites, city and/or county websites. Know if you are located in a floodplain and your flood risk.

IF YOU HAVE PETS OR LIVESTOCK
Consider precautionary evacuation of your animals. Waiting until the last minute could be fatal for them and dangerous for you.
If possible, move livestock to higher ground.
Don’t leave companion animals behind if you evacuate your home. Tying up animals can cause the animal to suffer unnecessarily and be vulnerable to the elements and possible drowning.
Prepare an animal emergency kit. The kit should include food, bowl, bed, toys and any medication your animal may need.

PROTECT YOUR HOME
Clear gutters and drains. Keep gutter and drainage systems clear to carry water away from your home.
Catalog possessions. Using a digital camcorder or camera, create a home inventory for insurance. Store digital files on a USB drive and take it with you during an evacuation event.
Raise furniture and move expensive items to a safe location. Take irreplaceable items such as photographs and important documents with you if asked to evacuate.
Anchor your fuel tanks. Unanchored tanks can float, rupture and release fuel.
Turn off your electricity at the breaker box and unplug sensitive equipment, such as computers, TV’s, etc. before evacuating your home.

BE PREPARED TO EVACUATE
If Mandatory Evacuation is issued by officials, leave the area for your safety and the safety of your family. REMEMBER, take your animals with you.
For your safety, you will not be able to re-enter an evacuated area until area is deemed safe to return by local officials.
The most up-to-date information available is provided by your local city and county emergency management coordinators.

These are the lines of communication and your guide to emergency information and community planning. Call your local information providers listed on the following pages if you have questions regarding hurricane preparedness.

Please contact your city’s emergency management coordinator’s office or the county’s emergency manager’s office with questions or concerns. These numbers can be found below and on pages 11 thru 13.

If your city is not listed, use the county numbers.
