

**BACHELOR'S DEGREE SUPPLEMENTAL APPLICATION FOR ADMISSION IN  
INDUSTRIAL MANAGEMENT 2022-2023**

The mission for the Bachelor of Applied Technology program at Brazosport College is to educate, train, and develop successful business leaders and managers who are prepared to utilize technology and leadership skills to the competitive advantage of their enterprise. This program builds upon a general education core, technology, and other courses completed in the freshman and sophomore years. The program is designed to add management skills to the technical skills of the trained technician so that he or she may move into supervisory positions. The breadth of the coursework enables students to lead and manage by utilizing a wide variety of business, finance, technology, and people management skills.

**Requirements:**

Admission applications will be accepted for review from all individuals who meet the following requirements.

1. College level skills in reading, writing, and mathematics as evidenced by approved placement testing or previous college-level coursework (TSI complete).
2. Attained junior status, defined as having earned at least 60 college level semester credit hours.
3. Within approximately 18 semester hours of completing the lower division coursework. If you are taking courses to fulfill this requirement prior to the semester in which you wish to begin the bachelor's program, please note the classes in which you are enrolled or plan to enroll below.

Admission to the Bachelor's Program is based on such factors as GPA and completion of the lower division coursework. Applications are to be reviewed by the Bachelor's Admissions Committee and recommended to the Provost and Vice President, Academic and Student Affairs.

**Instructions:**

All applicants applying for admission to the Bachelor's Degree program must:

1. Meet [admission requirements](#) for Brazosport College
