83rd Regular Session, Agency Submission, Version 1
Automated Budget and Evaluation System of Texas (ABEST)

990 Brazosport College

The Texas Higher Education Coordinating Board has submitted formula funding for the fifty Texas community colleges. We also support the request made by the Texas Association of Community Colleges for student success funding in the amount of \$1.968 billion for the 2014-2015 biennium to support three strategies in the General Appropriations Act, including Core Operations (\$50,000,000), Student Success Points (\$196,850,658), and Contact Hour (\$1,721,655,924). More information regarding this funding is available in the Texas Association of Community Colleges' letter of July 16, 2012.

We also support the funding necessary to restore insurance and retirement benefits reductions from the last legislative session.

In addition we request funding at the level of general academic institutions for the Brazosport College Bachelor of Applied Technology degree program. This program is classified as "upper division" and formula funding for courses in this program should be calculated on the same basis as upper division courses at general academic institutions in Texas.
