Career Pathways

Career Pathways offers students the opportunity to acquire a combination of basic academic skills and industry-specific training at the same time for zero or very little expense. You can train for a career and complete your high school equivalency diploma or improve English language skills at the same time. If you have a high school diploma you can also benefit from Career Pathways by improving your academic skills while receiving workforce preparation and training. Successful completion of this program may lead to a career and employment opportunities in high-demand occupations.

Additional Benefits to Career Pathways:
- Support in selecting pathway or enrolling in college
- Adult Education provides financial assistance for tuition
- Students receive ongoing support throughout the program
- Increased career and/or employment potential

Current Career Pathways Training Programs:
Some programs are two-semester classes with level one college certificates. Students complete college courses while improving basic skills (including math, reading, writing, and Texas Success Initiative (TSI) or high school equivalency (HSE) preparation) at the same time.

- Phlebotomy
- Medical Assistant
- CNA
- Child Development Associate

Fencing
En Garde! Join the beginner fencing class and learn basic fencing skills, attack and defense techniques, and move on to full speed bouting with electronic scoring. A fencing uniform will eventually be required, but the instructor has club equipment to loan initially, until you are sure you actually like the sport. Wear shorts, t-shirt, knee high athletic socks and sneakers. Enrollment is open to beginners age 11-13 and all returning students.
