A lack of English language skills will not be a barrier to admission to and participation in career and technical education programs. Brazosport College shall not discriminate on the basis of race, creed, color, national origin, citizenship status, age, disability, pregnancy, religion, gender, gender identity, genetic information, marital status, veteran status or any other protected class in accordance with applicable federal and state laws. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President of Human Resources, 500 College Drive, Lake Jackson, TX, 77566; 979-230-3459; Marshall.Campbell@brazosport.edu

Brazosport College is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. (Please request reasonable accommodations 48 hours in advance.) Relay Texas Numbers: 1-800-735-2989 (TDD) 1-800-735-2988 (Voice) or 711

Adult education and literacy services are provided with support from the Gulf Coast Workforce Board to help individuals find a job, keep a job, or get a better job. Brazosport College supports, and the Board is committed to, providing a learning and working environment that promotes personal integrity, civility, and mutual respect free of discrimination and harassment on the basis of race, color, religion, sex, gender identity and gender expression, national origin, age, disability, sexual orientation, or veteran status.

This schedule may be modified based on federal, state, or local government guidance regarding COVID-19. Due to social distancing, class size may be reduced. If necessary, classes may have to be moved to an online platform due to COVID-19.

Career and Professional Development

Certified Pool Operator

The Certified Pool Operator certification course is designed to provide the basic knowledge, techniques and skills required to safely operate a pool or spa. The course will follow the NSPF Pool & Spa Operator Handbook (provided) along with local regulatory codes and is taught by an NSPF certified instructor. Essential calculations, how to carry out and interpret water tests for safe operation of aquatic facilities, state and federal regulations and other important topics will be covered. Pass the open book exam and earn your CPO certification.

Location: BC Central/Face-to-Face

Instructor: David Turnage

6635 CCPO1002 (02213T) 16 hrs.
5/19-5/20 R/F 8am-5pm
\$279

Essentials of Excel

Microsoft Excel is a program used to present data in a spreadsheet or a table of rows and columns. Data can then be sorted, organized, and manipulated mathematically using various operations and formulas. This introductory course will teach you basic data editing, performing calculations with formulas, managing workbooks, creating charts, and many other marketable skills using the automated tools found within Excel.

Location: BC Central/Face-to-Face

Instructor: Juanita Cantu

6636 ITSW1022B (02213T) 12 hrs.
3/22-3/31 T/R 6-9pm
\$125

Essentials of Word

Microsoft Word is a word processing application used to create letters, reports, and other documents. This basic course will teach you foundational skills such as using toolbars and task panes, document navigation, document styles, editing and formatting text or paragraphs, printing, inserting special fields, productivity tools, inserting tables, and other skills essential to proficiency in Microsoft Word.

Location: BC Central/Face-to-Face

Instructor: Juanita Cantu

Basic Life Support (CPR)

This course is a two year certification in Basic Life Support (CPR) and does not include First Aid. The American Heart Association (AHA) strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA. Refunds can only be provided if you cancel enrollment by calling 979-230-3600 and speak to a registration specialist.

Allied Health Track: Certified Nurse Aide to Medical Assistant

This program provides an opportunity for Certified Nurse Aides to earn a stacked credential. CNA license must be current, in good standing, and license holder must have at least 1 year of working CNA experience during the last 3 years (before start date of the program). Medical Assistants work in medical clinics and similar settings assisting physicians by performing administrative duties and handling basic clinical tasks. Often, they are the first person a patient may encounter during a medical appointment. Medical Assistants are trained in front office duties, charting, billing procedures, EKG, phlebotomy, vital signs, and other important clinical tasks. *This is a blended course with both on-campus and online instruction.*

Total Cost: \$2,015 + textbooks

Dental Assistant Program

When you train with Brazosport College, you can be prepared for a successful career as a dental assistant in as early as four months. Our partnership with Career Step provides a Dental Assistant program that will prepare you to get certified and working in the dental industry. The online program provides instructional videos, images, and quizzes to test your knowledge and retention throughout the course. This course also includes simulations, allowing you to enhance your learning experience with “hands-on” practice. Enrollment is continuously open. *This is an online course without scheduled live interaction with instructor.* [For More Information and to Register Click Here](#)

Location: Online plus Face-to-Face Externship

\$3,999

Pharmacy Technician Program

This isn't your standard, run-of-the-mill pharm tech program. It's designed to meet all Objectives of the Accreditation Standards for Pharmacy Technician Education and Training Programs, and includes unparalleled content, career support, and a clinical externship opportunity. This program explores terminology, calculation techniques, record keeping, and pharmaceutical ethics—while immersive virtual activities provide hands-on practice. Don't worry, though. We'll start with the basics before diving deep into all the advanced skills you'll need to be successful. *This is an online course without scheduled live interaction with instructor.* [For More Information and to Register Click Here](#)

Career Pathways

Career Pathways

Career Pathways offers students the opportunity to acquire a combination of basic academic skills and industry-specific training at the same time for zero or very little expense. You can train for a career and complete your high school equivalency diploma or improve English language skills at the same time. If you have a high school diploma you can also benefit from Career Pathways by improving your academic skills while receiving workforce preparation and training. Successful completion of this program may lead to a career and employment opportunities in high-demand occupations.

Additional Benefits to Career Pathways:

- Support in selecting pathway or enrolling in college
- Adult Education provides financial assistance for tuition
- Students receive ongoing support throughout the program
- Increased career and/or employment potential

Current Career Pathways Training Programs:

Some programs are two-semester classes with level one college certificates. Students complete college courses while improving basic skills (including math, reading, writing, and Texas Success Initiative (TSI) or high school equivalency (HSE) preparation) at the same time.

- Certified Nurse Aide (CNA)
- Child Development Associate
- Entrepreneurship
- HVAC
- Medical Assistant
- Phlebotomy

These are great funded courses and offered at no charge. Placement testing is required. For more information contact Jennifer Roberts at jennifer.roberts@brazosport.edu

English as a Second Language (ESL)/Citizenship

English as a Second Language (ESL)/Citizenship Placement Testing

This is a required session that all ESL/Citizenship students must attend prior to the start of regular classes. Enrollment paperwork and pre-testing will be completed during this session. Students only need to attend one (1) session. **These are grant funded classes and offered at no charge.**

Community Emergency Response Team (CERT)

CERT is a training program that prepares you to help your family and neighbors in the event of a disaster. During an incident, emergency service personnel may not be able to reach you right away. CERT training will give you the skills to help emergency responders save lives and protect property. As a member of CERT, you can respond to disasters, participate in drills and exercises, and obtain additional training. CERT teams are known and trusted resources for emergency responders and their communities. No matter where you live or who you are, we all have a role in hometown preparedness. What role will you play? *For more information click <https://bit.ly/3q85ZA1>*

Youth and Teen

Fencing

En Garde! Join the beginner fencing class and learn basic fencing skills, attack and defense techniques, and move on to full speed bouts with electronic scoring. A fencing uniform will eventually be required, but the instructor has club equipment to loan initially, until you are sure you actually like the sport. Wear shorts, t-shirt, knee high athletic socks and sneakers. Enrollment is open to beginners age 11-13 and all returning students.

Location: Gym/Face-to-Face

Instructor: Kevin O'Neill
