Brazosport College shall not discriminate on the basis of race, creed, color, national origin, citizenship status, age, disability, pregnancy, religion, gender, gender identity, genetic information, marital status, veteran status or any other protected class in accordance with applicable federal and state laws. The following person has been designated to handle inquiries regarding the non-discrimination policies: Grant Compliance Coordinator, 500 College Drive, Lake Jackson, TX, 77566; 979-230-3311; Alicia.Hodge@brazosport.edu

Brazosport College is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. (Please request reasonable accommodations 48 hours in advance.) Relay Texas Numbers: 1-800-735-2989 (TDD) 1-800-735-2988 (Voice) or 711

Workforce Solutions

Adult education and literacy services are provided with support from the Gulf Coast Workforce Board to help individuals find a job, keep a job, or get a better job. Brazosport College supports, and the Board is committed to, providing a learning and working environment that promotes personal integrity, civility, and mutual respect free of discrimination and harassment on the basis of race, color, religion, sex, gender identity and gender expression, national origin, age, disability, sexual orientation, or veteran status.

This schedule may be modified based on federal, state, or local government guidance regarding COVID-19. Due to social distancing, class size may be reduced. If necessary, classes may have to be moved to an online platform due to COVID-19.
Certified Pool Operator

The Certified Pool Operator certification course is designed to provide the basic knowledge, techniques and skills required to safely operate a pool or spa. The course will follow the NSPF Pool & Spa Operator Handbook (provided) along with local regulatory codes, and is taught by an NSPF certified instructor. Essential calculations, how to carry out and interpret water tests for safe operation of aquatic facilities, state and federal regulations and other important topics will be covered. Pass the open book exam and earn your CPO certification. *This is a traditional on-campus course with social distancing and other safety precautions. For more information contact Cindy Taylor at cindy.taylor@brazosport.edu*

**Location: Online**

**Instructor: David Turnage**

8675 CCPO1002 (02204T) 16 hrs.

TBD 8am-5pm

$279

---

Introduction to Computer Systems

This basic computer course is an introduction to operating systems, file creation, deletion, and data entry. You will learn to create, copy, and delete files using the operating system, enter and edit data and navigate files and folders. *This is a traditional on-campus course with social distancing and other safety precautions.*

**Location: BC Central, Face-to-Face Instruction**

**Instructor: Juanita Cantu**

8676 ITSC1006 (03204T) 7 hrs.

6/1-6/3 T/R 6-9:30pm

$79

---

Essentials of Word

Microsoft Word is a word processing application used to create letters, reports, and other documents. This basic course will teach you foundational skills such as using toolbars, task panes, document navigation, as well as editing and formatting texts. *This is a traditional on-campus course with social distancing and other safety precautions.*

**Location: BC Central, Face-to-Face Instruction**

**Instructor: Juanita Cantu**

8677 POFI1024A (04204T) 12 hrs.

6/15-6/24 T/R 6-9pm

$125
Essentials of Excel
Microsoft Excel is a program used to present data in a spreadsheet or a table of rows and columns. Data can then be sorted, organized, and manipulated mathematically using various operations and formulas. This introductory course will teach you basic data editing, performing calculations with formulas, managing workbooks, creating charts, and many other marketable skills using the automated tools found within Excel. This is a traditional on-campus course with social distancing and other safety precautions.

Location: BC Central, Face-to-Face Instruction
Instructor: Juanita Cantu
8678 ITSW1022B (04204T) 12 hrs.
8/10-8/19 T/R 6-9pm
$125

NEW! SQL Series
The SQL Series will help you gain a full understanding of universal programming language. You'll start by learning key concepts and move on to more advanced topics as you progress through the lessons. By the end of the series, you'll have a solid working knowledge of SQL. Register and pay at https://www.ed2go.com/bc

$395

TeachWorthy - Alternative Certification for Teachers (Hybrid)
TeachWorthy is a state-approved program that helps people achieve their dream of becoming a certified teacher through an accelerated and flexible route. Program advantages include: convenient web-based learning modules, guidance on passing state exams, hands on support in the classroom, nationally acclaimed Capturing Kids' Hearts™ training, preparation for classroom best practices, dedicated Program Adviser to guide you, online Job Portal, and so much more. For more information and to register https://www.teachworthy.org/apply/?affiliate=Brazosport2021
Location: Online, Instructor-led
**Basic Life Support (CPR)**

This course is a two-year certification in Basic Life Support (CPR) and does not include First Aid. The American Heart Association (AHA) strongly promotes knowledge and proficiency in all its courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA. Refunds can only be provided if you cancel enrollment by calling 979-230-3600 and speaking to a Registration Specialist. *This is an on-campus class with social distancing and other safety precautions.*

**Location: Sadler, Face-to-Face**

**Instructor: Travis Vandaveer**

Phlebotomy Technician Program
Phlebotomists draw blood from a patient for clinical or medical testing, transfusions or blood donations. Anyone who chooses this field should be comfortable with blood, needles, and blood vials. Students are trained to perform a variety of blood collection methods with an emphasis on safety, quality assurance, patient identification and specimen handling. This course is taught by a certified Phlebotomy Instructor in an online and face-to-face format. Upon successful completion of this course, students will enroll in the Phlebotomy Clinical Practicum (separate enrollment fee). During the practicum, students will be assigned to work in a clinical facility and receive hands-on training in the field. Prerequisites for Clinical Practicum: At least 18 years of age with a High School Diploma or High School Equivalency (HSE), acceptable criminal background and completion of all state-required immunizations and CPR training. This is a blended course with both on-campus and online instruction. The online portion of your course will be accessible on your first class day and can be found at online.brazosport.edu.

Total Lecture/Lab Cost: $1,039 + textbooks
Location: Sadler, Blended Instruction

Phlebotomy Technician 1 of 2
Instructor: TBD
8669 HPRS1001C (03204T) 30 hrs.
6/1-7/1 T/R 6 pm-9 pm

Phlebotomy Technician 2 of 2
Instructor: TBD
8670 PLAB1023 (03204T) 0 hrs.
7/6-9/23 T/R 6 pm-9 pm
Certification Exam Prep: Medical Assistant
This exam preparation course will help students plan and prepare to take one of the national certification exams for Medical Assistant. Whether planning to retake an exam or taking the exam for the first-time, this course is essential. It teaches time-management skills, how to apply study techniques and offers strategies for taking a national certification exam. Clinical Skills lab practices will be minimal in this course. This is a blended course that will meet mostly online with scheduled live interaction with an instructor. You will meet in person on-campus on the first class day.

**Location: Online, Instructor-led**

**Instructor: TBD**

8673 MDCA1054 (02204T)  24 hrs.
6/7-6/30       M/W       6-9pm
$287

Certification Exam Prep: Phlebotomy Tech
This Instructor-led exam preparation course will help students plan and prepare to take one of the national certification exams for Phlebotomy Technician. Whether planning to retake an exam or taking the exam for the first-time, this short course will be essential as it provides a review/update to the requirements associated with certification and offers strategies for taking a national certification exam. Clinical Skills lab practices will be minimal in this course. You will meet in person on-campus on the first class day.

**Location: Online, Instructor-led**

Career Pathways

Career Pathways offers students the opportunity to acquire a combination of basic academic skills and industry-specific training at the same time for zero or very little expense. You can train for a career and complete your high school equivalency diploma or improve English language skills at the same time. If you have a high school diploma you can also benefit from Career Pathways by improving your academic skills while receiving workforce preparation and training. Successful completion of this program may lead to a career and employment opportunities in high-demand occupations.

Additional Benefits to Career Pathways:
- Support in selecting pathway or enrolling in college
- Adult Education provides financial assistance for tuition
- Students receive ongoing support throughout the program
- Increased career and/or employment potential

Current Career Pathways Training Programs:
Some programs are two-semester classes with level one college certificates. Students complete college courses while improving basic skills (including math, reading, writing, and Texas Success Initiative (TSI) or high school equivalency (HSE) preparation) at the same time.

- Phlebotomy
- Medical Assistant
- CNA
- Child Development Associate
- Entrepreneurship
- HVAC
- MS Office (Word/Excel)
