Unusual Enrollment History 2022-2023

The U.S. Department of Education (DOE) flagged your 2022-2023 Free Application for Federal Student Aid (FASFA) for “Unusual Enrollment History Review” because you received Federal Pell Grant funds at several education institutions during the following review period: 2018-2019, 2019-2020, 2020-2021, 2021-2022. Because your application is flagged by the DOE this requires BC to review your enrollment history and make a determination on whether or not you are enrolling long enough to receive cash funds from federal student aid. In the process of reviewing your enrollment history, BC will check the National Student Loan Data System (NSLDS) to obtain a complete history: the name of institutions you have attended and the dates of attendance. Your responsibility is to fill out the form accordingly.
