Both Day / Night	44	5.2%
Distance Learning	185	22.0%
Total	841	100.0%

Note: Since distance learning classes are not classified as "Day" or "Night" classes, students enrolled in distance learning classes as well as traditional "day" or "night" classes are classified as day, night or both day/night students by their "majority" enrollment in these classes. Therefore, it is possible that distance learning students are included in the Day, Night and Both Day/Night totals if they are taking these traditional classes along with a distance learning class. However, students taking only distance learning classes will be classified as only distance learning students.
