

Minutes

Planning and Institutional Effectiveness Council

February 15, 2010

The Planning and Institutional Effectiveness Council met at 2:00 p.m. on February 15, 2010, in room C-103. John Ray reviewed the agenda for the meeting.

In the Student Success Moment, Council members shared examples of student success from their areas.

John Ray reviewed the minutes from the February 1, 2010 meeting and emphasized the link between engagement from the Community College Survey of Student Engagement and student success. He also reminded members of the five benchmarks that comprise CCSSE as discussed at the last meeting.

David Preston presented more detailed information about the CCSSE. He reviewed trends on CCSSE showing improvements on all benchmarks through 2008. Dr. Preston shared data from the 2009 survey showing decreases in scores in four of the five benchmarks. He noted that he had reviewed the data to determine if the decreases could be attributed to any particular group of students; however, the data did not show that any specific group was responsible for the lower ratings. He noted that this discussion will continue at the next meeting.

Meeting adjourned at 3:05 p.m.

John Ray, Recorder
