Planning and Institutional Effectiveness Council

February 23, 2011

The Planning and Institutional Effectiveness Council met at 3:30 p.m. on February 23, 2011 in Room C-103.

John Ray opened the meeting and reviewed the meeting agenda. Members shared student success stories. Members also reviewed minutes of the February 2, 2011 meeting.

John Ray reviewed topics discussed at the Board Workshop on February 4-5, 2011 with Council members. He also provided Council members with a handout summarizing the topics that Board members suggested as additions to Vision 2015.

Cindy Ullrich reviewed the student responses to the Noel-Levitz Satisfaction Survey. She explained the format of the report and called attention to those areas where Brazosport College compared favorably to the national sample. Only one item was lower in the 2010 sample compared to the 2008 sample. That item was “the amount of student parking space on campus is adequate.”

Fred Scott presented information comparing funding amounts in HB1 and SB1. While the focus has been on Brazosport College being defunded in HB1, Mr. Scott noted that SB1 included drastic reductions in funding for the next biennium.

Meeting adjourned at 4:35 p.m.

John Ray, Recorder
